Energize Your Home
with Solar System

Versatile Charging Ports Covering All Needs

Featuring 14 ports, the P260 supports up to 120W solar input while charging multiple devices simultaneously, including LED lights, TVs, fans, radios, and speakers. This powerful system offers unparalleled convenience for a wide range of applications.

LED Light	2W 72 Hours
Cellphone	18Wh 11.5 Times
Fan	10W 19.8 Hours
TV	18W 12.1 Hours
Radio	10W 19.8 Hours
Speaker	10W 19.8 Hours

PayGo Enabled, Easy Power Accessible

1. Seamless Payments:

Customers can easily pay monthly loans to distributors via mobile currency.

2. Instant Token Delivery:

Upon payment, the P260 will unlock automatically or using the buttons.

3. Full Access Unlocked:

Once the final installment is completed, the system is fully unlocked for uninterrupted energy access.

Reliable Power That You Can Trust

Equipped with 256Wh of capacity, the P260 provides constant power to cover your most power needs at home. The included bulb and 75W solar panel allow you to harness solar energy to light up your home effortlessly.

Its versatile ports seamlessly connect with multiple devices all at once, delivering long-lasting and stable power whenever you need it.
